WORK EXPERIENCE

Caspian Studios

Aug. 2022 – Present

Producer

Oakland, CA

- Caspian Studios is a B2B podcasting services org. creating engaging content to align with marketing strategies.
- As a producer, I own multiple show operations end to end, ensuring consistency throughout each episode.
 - Has managed five shows from the pre-launch phase to the release of their first season.
- Assist the creative launch team by building all-new show materials and prototyping proof of concepts.

Hit Start Media

Aug. 2020 – Aug 2022

Creative Audio Producer

Santa Monica, CA

- Hit Start Media started out as a bespoke B2B podcasting service org. but has shifted to management software.
- As the first hire, I interfaced with all clients directly to execute their vision, building seven shows from scratch.
- I created process docs for recording, publishing, and organization methods to implement company-wide.

Freelance, Upwork

Mar. 2019 – Present

Producer

San Francisco, CA

- I offer my expertise to organizations and individuals as they work to build their podcasts from the ground up.
- As a freelancer, I manage multiple clients at once, always while delivering on deadlines.
 - I maintain a “100% Job Success Score” and have been “Top Rated” for more than two years on the platform.

The Oregon Shakespeare Festival

Jul. 2016 – Mar. 2019

Sound Engineer

Ashland, OR

- OSF is a regional theatre that puts on 5-9 productions of Shakespeare’s plays as well as new plays.
- As the Green Show sound engineer, I mixed live performances for 250-500 people outside the main theatres.
 - I worked with diverse local and regional talent including bands, choirs, dancers, magicians, and acrobats.

Freelance, Theatre

Jan. 2013 – Mar. 2020

Sound Designer

Ashland, OR. Chicago, IL

- Working primarily in multiple playhouses in Chicago, I crafted sound effects and music to weave stories together and invoke emotions from audiences.
 - *Fun Fact* - I was the associate designer on a newly created musical about the 2016 Cubs winning the World Series.

EDUCATION

Southern Oregon University

April, 2018

BFA, Theatrical Arts

Ashland, OR

- Graduated *Magna Cum Laude* and received multiple scholarships for academic performance, GPA: 3.83
- Served my constituents as the Arts Senator as part of the Associated Students of Southern Oregon University
- Led the sound department during the transition from one theatre to another, being head of audio on 5 shows
